Module-wise attendance requirements must be satisfied independently; overall attendance alone shall not be treated as sufficient.

5.2 Academic Performance & Completion

The student shall successfully complete and submit all mandatory assignments, assessments, examinations, projects, practical activities, and other academic requirements within the timelines prescribed by the Institute. Failure to complete any mandatory requirement may render the student ineligible for Placement Assurance.

5.4 GitHub & Portfolio

Where required as part of the program, the student shall maintain relevant project work, documentation, and portfolio material on GitHub or another platform specified by the Institute.

5.5 Placement Readiness Training

Attendance in all placement readiness activities, including aptitude training, communication skills training, interview preparation, workshops, career development sessions, and related placement activities, is mandatory. The student shall maintain one hundred percent (100%) attendance in placement-related activities unless excused by the Institute for a valid reason supported by appropriate evidence.

5.6 ATS-Compliant Resume

Before participating in any mock interview or recruitment process, the student shall prepare and submit an ATS-compliant resume/CV in the format or standard approved by the Institute.

5.7 Fee Clearance Requirement

The student shall pay the full program fee, including all instalments, as per the fee schedule communicated at the time of admission. All fee dues must be cleared in full before the final examination. The hall ticket for the final examination shall be issued only to students with no outstanding fee dues, as confirmed by the Accounts Department. A student who has not cleared all dues shall not be permitted to appear for the final examination and shall not be treated as having completed the course for the purposes of this Agreement. Employer referrals, company interviews, and all other post-course placement activities shall proceed only after the student has cleared all dues and completed the final examination.

6. MOCK INTERVIEW REQUIREMENT

- The student shall participate in all mock interviews scheduled by the Institute.
- The Institute shall provide a maximum of five (5) mock interview opportunities under this Agreement.
- The student must satisfy the evaluation criteria established by the Institute within the allotted attempts.

7. COMPANY INTERVIEW ELIGIBILITY

Only students who successfully complete the prescribed placement-readiness requirements, including the mock interview process, shall be eligible for company interviews arranged by the Institute. The Institute reserves the right to determine whether a student is placement-ready and eligible for employer referrals.

8. STUDENT OBLIGATIONS

- Attend all interviews scheduled through the Institute.
- Respond promptly to communications concerning placement opportunities.
- Participate professionally and responsibly in recruitment processes.

- Accept and reasonably consider suitable interview opportunities aligned with the student's qualifications and skill set.
- Follow reasonable instructions and timelines communicated by the Placement/Academic Team.

- Inform the Institute promptly if a genuine circumstance affects attendance or participation.

Failure to comply with these obligations may result in suspension or withdrawal of Placement Assurance benefits.

The placement journey generally follows the sequence below:

Enrolment → Academic Modules & Placement Readiness Training → ATS Resume → Mock Interviews → Mock Interview Clearance → Fee Clearance → Hall Ticket & Final Examination → Course Completion → Eligibility Verification → Employer Referral → Company Interview → Employer Selection → Placement

Mock interviews and placement readiness activities are conducted during the course duration. Employer referrals and company interviews commence after the student completes the course and satisfies all eligibility requirements, including fee clearance.

11. PLACEMENT TIMELINE

The Institute shall endeavor to facilitate suitable placement opportunities within a maximum period of three (3) months from the date on which the student successfully completes the course and fulfils all placement eligibility requirements.

The student acknowledges that placement timelines may vary due to market conditions, employer requirements, recruitment cycles, economic factors, student performance, interview availability, hiring decisions, and circumstances beyond the reasonable control of the Institute. Delays arising from such circumstances shall not constitute a breach of this Agreement.

12. FEES, REFUND & CERTIFICATES

12.1 Fee Payment

All fees paid towards the program are non-refundable. No refund, full or partial, shall be made on account of the student's discontinuation of the program, failure to meet eligibility requirements, or loss of Placement Assurance under Section 13, except where the program or batch is cancelled by the Institute.

12.3 Education Loans & EMI Facilities

Where the student has availed an education loan or EMI facility through a third-party lender, the student's repayment obligations to the lender are independent of placement outcome, and the Institute shall not be liable for such obligations.

16. INSTITUTE'S DISCRETION

The Institute reserves the right to amend, revise, modify, or update the Placement Assurance Program, provided that such modifications do not adversely affect students who have already fulfilled all eligibility requirements under this Agreement. The Institute's decision regarding eligibility, placement readiness, interview referrals, and compliance with this Agreement shall be final and binding, subject to applicable law.

17. GOVERNING LAW & JURISDICTION

This Agreement shall be governed by and construed in accordance with the laws of India. Any dispute arising out of or relating to this Agreement shall be subject to the jurisdiction of the competent courts having jurisdiction over the location of the Institute's registered office.
